HCV Resident Garden Club Celebrates Unity Garden's 11th Year Recognizing Founder

Sister Marilyn Zugish, C.S.C., a former director of Spiritual Care and Mission Integration at HCV, was one of the original organizers of our campus Unity Garden. The garden holds 16 raised beds for growing vegetables, herbs and annual flowers. Sister Marilyn believed the garden was an important spiritual contribution to our campus ministry and involved HCV resident garden club members, HCV staff and community volunteers, including 3 Holy Cross college students in this special mission. Their combined hard work netted harvest of approximately 45-bushel baskets in fresh vegetables, some herbs and sometimes flowers, all benefiting St. Augustine's Soup Kitchen. One of our own HCV residents made weekly trips to St. Augustine's delivering the harvest. As the garden was put to rest in preparation of winter, a special dedication was held honoring former staff member, Sister Marilyn Zugish, C.S.S. A commemorative plaque has been installed outside the garden honoring Sister Marilyn and her unselfish contribution to our campus Unity Garden.
